Trademarked as "Panorama Suites", French Balcony cabins span on two full decks. 80% of the staterooms are French Balconies. Each of these features another Avalon Waterways registered trademark – the "Open-Air Balcony". Each room has the river cruising industry's first ever wall-to-wall and floor-to-ceiling sliding windows (14 ft / 4 m wide) opening to a balconet. This way, the entire room feels like a balcony, and the "indoor balcony" feels like a room.
