The prime location for ships is Canada Place Terminal, which is smack downtown and within a few steps of hotels, restaurants, shopping, and attractions. Getting to the cruise terminal upon arrival is a cinch. The airport is located south of the city, in the neighborhood of Richmond, 14 km (nine miles) from the downtown peninsula.

Transportation and Parking: <https://www.portvancouver.com/directions-and-transportation>

Curbside porters are available at the pier to take baggage to the vessel for delivery by shipboard personnel to your stateroom. It is customary to tip the porter for this service. Please be advised that the curbside porters are not employees of the cruise line. You are responsible for your belonging at all times.

Estimated cost of a taxi or Uber to the pier from the airport or City Center is approximately \$35 CAD plus tip (12 miles)

END OF CRUISE - DEPARTURE PORT AUGUST 22, 2026

Passengers are disembarked in order of earliest flight times off the ship first. The passenger services desk arranges/plans the disembarkation process during the actual voyage, for the end of that voyage. But, usually for the northbound cruises, disembarkation commences at about 6:15 am and ends at about 10 am (so approximately 4 hours long to disembark the ship). This is approximate, depending on customs, security, etc. It is sometimes possible to leave the ship as early as 7:00 am for early flights, or have delayed disembarkation up until 11:00 am. For early or delayed disembarkation please see the information desk on board.

Sundancer always gets luggage tags for our group for the earliest regular disembarkation, and they you are free to disembark at that time or anytime thereafter.
