IF CANCELLED BY AVALON:

It is very rare that the Cruise Line cancels cruises. In the event that the Cruise Line should cancel a cruise due to unforeseen circumstances, they will notify you immediately. Since every situation is different, Cruise Line's upper management will assess the severity of the situation when it happens and act accordingly. In the event of strikes, lockouts, riots, weather conditions, mechanical difficulties, or for any other reason, the Cruise Line has the right to cancel, advance, postpone, or deviate from any scheduled sailing or port of call without prior notice. In this situation the Cruise Line may substitute another ship or port of call. However the Cruise Line is not legally liable for any loss to guests by reason of the cancellation, advancement, postponement, deviation, or substitution. In addition, while the Cruise Line attempts to follow our published schedules as closely as possible, the Cruise Line is not responsible if they cannot adhere exactly to the published times at any of their ports of call. However, they will attempt to keep all passengers informed of any changes.

TRAVEL INSURANCE:

We recommend that all guests purchase a Vacation Protection Plan for their peace of mind. Avalon's travel insurance has a "Cancel for Any Reason" whereby you receive a Future Cruise Credit (FCC) valid for two years. They also cover pre-existing conditions if you book their travel insurance with 14 day of your cruise deposit. See separate link on our website for additional details. Sundancer can also provide quotes for TravelGuard. Our Travel Agent # is 06699210. You can book directly with TravelGuard, or just get a quote. Questions for TravelGuard: 800-826-4919.

NOTE: Sundancer (via TravelGuard) cannot handle Minnesota, New York or Washington as they require special license to sell TravelGuard (or any other insurance brand.)

NOTE: Some Costco, American Express, or other credit cards include travel insurance if you use that card to book your cruise, etc. You should always check with the insurer as to coverage you may already have with your current health plan (if any). Also airlines offer insurance for your flights as an option, so you may want to compare that as well.
