PORTS OF CALL

Fort Lauderdale, Florida -Visit Pre or Post Cruise

According to the popular 1960 beach movie, Fort Lauderdale is "where the boys are." The city's reputation as America's Spring Break capital, however, has been replaced with the more favorable image of a prime family tourist destination, attracting more than 10 million visitors annually. The most popular beach resort in Florida is even more rightly famed as the "Yachting Capital of the World," with more than 40,000 registered crafts calling its waters home. The city also prides itself on being the "Venice of America" with more than 300 miles of navigable waterways. Fort Lauderdale boasts world-class theaters, museums, sightseeing, and shopping.

The city sits 24 miles north of Miami and is named after a series of forts built by the United States during the second Seminole War. The forts took their name from Major William Lauderdale, who was the commander of the detachment of soldiers who built the first fort. Look hard and you might find remnants of three of them today. More people seem to be interested in taking a water tour.

- Everglades
The Florida Everglades are home to many endangered species, so airboat rides through the 'River of Grass' are the perfect way to view the wildlife.
- Flamingo Gardens & Wildlife Sanctuary
This ecologically-friendly estate, home to over a dozen flamingos, is set on 60 acres and showcases rare native and exotic plants. It also offers tram rides around their fun free-flight aviary.
- Intracoastal Waterway
With more than 300 miles of inland waterways that pass by five-star hotels and million-dollar estates.
- Las Olas Boulevard
The trendy Riverwalk district in downtown Fort Lauderdale features a host of fabulous art galleries, eclectic boutiques and busy sidewalk cafés - perfect for a stroll.
- Sawgrass Mills
One of the largest shopping centers in South Florida, Sawgrass Mills features more than 350 retail outlet and brand-name stores.

Popular Ft. Lauderdale beaches:

Fort Lauderdale Beach

The very definition of beach chic. Fort Lauderdale Beach is located just 2 miles from Embassy Suites and is the perfect start to your beach-bound vacation. Bring a book along for a relaxing read and a little people watching. If you get hungry, head over to Las Olas Boulevard for an incredible selection of Fort Lauderdale restaurants. www.discoverftlbeach.com

Dania Beach

Head to Dania if peace and quiet is your idea of paradise. Dania Beach tends to be less crowded than more popular beaches like Fort Lauderdale or Hollywood. As for activities, the options are wide open at Dania Beach. It's a smart choice for kayaking, swimming, picnicking and especially fishing. Anglers love the fishing pier at Dania Beach Ocean Park. www.daniabeachfl.com

Deerfield Beach

Deerfield is an award-winning beach at the northern most edge of Greater Fort Lauderdale, and it's well worth seeking out. One unusual attraction is Ski Rixen Water Park, a "cable water ski" park and Aqua Park . This low-octane and peaceful version of water-skiing is fully automated and safe for the whole family. www.skirixenusa.com

Lauderdale-by-the-Sea

So much more than a beach, Lauderdale-by-the-Sea is an experience that you won't want to miss. This half-mile stretch of coast features a charming "beach village" with old-fashioned coastal shops. Plus, the unique geography just off the coast makes this one of the few beaches in Fort Lauderdale to offer reef snorkeling.

Hollywood Beach

While the 2.5-mile beach is arguably one of South Florida's best, Hollywood Beach is even better known for the Boardwalk, a scenic foot-and-bike path dotted with locally owned shops and lively outdoor cafes. People watchers will love Hollywood Beach. www.hollywoodfl.org

Or visit South Beach in Miami.

AMBER COVE, DOMINICAN REPUBLIC – Monday January 25, 2027 from 10am-5pm

Located in the Bay of Maimon, Amber Cove serves as a vital gateway connecting the Dominican Republic's North Coast to the global cruise industry. Since opening in 2015, this 25-acre port has welcomed millions of visitors, fueling economic growth, promoting sustainable tourism, and creating valuable opportunities for local businesses.

Tucked on the north coast of the Dominican Republic, Amber Cove, named for the translucent gemstone found on its shores, sits just seven miles from the town Puerto Plata, a cinematic locale used as the backdrop for the first Jurassic Park film. Just steps from the dock take in the sparkling beach, which offers a plethora of water activities, and the serene, natural beauty from the comfort of a private bungalow. Or venture off the property to take to the high seas on a luxury catamaran snorkeling expedition or explore the 450-year-old San Felipe Fortress. For high-flying adventure, swing through the trees on a zip line or ride a cable car 2,500 feet to the top of Mount Isabel de Torres for a look at its massive statue of Christ the Redeemer. And for those with a forward-thinking approach to social activism, delve into the culture and traditions of the friendly Dominican people while giving back to the community and making an impact on their lives. The experience will leave you feeling as warm as the glow from the amber sun.

Things to do see: www.discoverpuertorico.com

When you're in San Juan, don't miss the opportunity to witness the pinnacle of natural beauty by exploring Puerto Rico's El Yunque Rain Forest. It features more than 240 species of trees, hundreds of miniature orchids, and what was once believed to be the Fountain of Youth.

Explore Old San Juan, the second-oldest European settlement in the New World. Ride to San Felipe El Morro, the most dramatic of all the city's military fortifications.

Visit the Casa Blanca Museum & Gardens, the Ballaja Barracks, Quincentennial Square, San Jose Church, San Juan Cathedral, and Cristo Chapel.

Bike through the gorgeous scenery of the Piñones Reserve, home to the island's most spectacular views.

Puerto Rico is a great place to enjoy authentic Spanish-style sangria and taste a wide array of delicious tapas.

St. Thomas, US Virgin Islands Wednesday, January 27, 2027 from 8am-6pm

Cathy's Notes re Ship Dock: Ship usually docks (to be confirmed) at Crown Bay, which is about a 5 to 10 minute taxi ride to downtown Charlotte Amalie. Crown Bay features a recreated stone sugar mill in honor of the island's plantation era. Crown Bay Center businesses include jewelry, clothing and liquor stores. The Crown Bay Marina has a branch of Gourmet Gallery (and the ferry to Water Island leaves from there). You'll need to head downtown for serious shopping and dining. Adventurous types should be hesitant when wandering off the beaten path in Charlotte Amalie; crime can be an issue.)

The US Virgin Islands are America's paradise, offering an easygoing blend of island ways and American practicality. St. Thomas, capital of the island group, offers every imaginable sport: snorkeling, golfing, hiking, and sailing. Just a few miles away lay St. John and Virgin Islands National Park. Stunning mountain scenery, crystalline waters, and white-sand beaches with palms swaying in the breeze - the US Virgin Islands are truly a slice of paradise. The harbor is easily one of the Caribbean's most scenic. The United States purchased the Virgin Islands from Denmark for \$25 million in gold in 1917. St. Thomas has a reputation as a duty free-mecca for shopping.

- Snorkeling & Diving

The island's underwater world is beautifully unveiled to both snorkelers and divers, exhibiting sunken boat wrecks, breathtaking coral reefs and a colorful spectrum of marine life.

Grand Turk, Turks & Caicos Friday, January 29, 2027 from 7am- 4pm

Grand Turk, the capital of the Turks and Caicos Islands, is a small island bursting with turn-of-the-century Caribbean charm, retaining the look and feel of the Caribbean 40 years ago. Grand Turk was founded by Bermudan salt rakers some three centuries ago and its Bermudan-British-colonial architecture surrounded by colorful local dwellings make the island a treasure to visit. It is recognized as being one of the first places in the New World where Christopher Columbus landed and also gained worldwide attention when John Glenn splashed down near Grand Turk on his historic first mission to space. Grand Turk is six miles long and just over a mile wide with a population of only 6,000. It is blessed with miles of uncrowded, beautiful beaches and is close to several uninhabited cays such as Gibb's Cay, home of the stingray encounter. While there are many landside attractions to explore such as the Old Prison, Lighthouse Park, and the re-created salt salina, the real beauty of the island lies underwater. Grand Turk is world-famous for its healthy and beautiful coral reefs that surround the island, stretching almost from the coastline to the 7,000-foot vertical wall just offshore.

You can book excursions through Princess or:

- Cockburn Town: Historic 18th-and 19th-century Bermudian architecture lines the long, narrow streets of Cockburn Town, the administrative capital of Turks and Caicos.
- Turks & Caicos National Museum: The museum, located in one of the oldest stone buildings on the islands, chronicles Grand Turk's history from 700 A.D. to modern times and features artifacts from the Molasses Reef wreck.
- Grand Turk Lighthouse. More than 150 years ago, this lighthouse was brought from the U.K. to help halt shipwrecks on Grand Turk's reefs. Today, it's a prized historic site, protected by the National Trust.
- Gibb's Cay: The unspoiled, uninhabited island of Gibb's Cay is located about a mile from Grand Turk. A luxurious white-sand beach and fascinating snorkeling make this a favorite among visitors.
- Beaches: Enjoy one of Grand Turks' beautiful beaches.
- Snorkeling & Diving: The crystal-clear waters and underwater visibility are trademarks of Grand Turk.
- Outdoor Adventure: Grand Turk offers horseback riding, biking, dune buggies, kayaking - and even a Flowrider® near the pier.
