Since every situation is different, Cruise Line's upper management will assess the severity of the situation when it happens and act accordingly. In the event of strikes, lockouts, riots, weather conditions, mechanical difficulties, or for any other reason, the Cruise Line has the right to cancel, advance, postpone, or deviate from any scheduled sailing or port of call without prior notice. In this situation the Cruise Line may substitute another ship or port of call. However the Cruise Line is not legally liable for any loss to guests by reason of the cancellation, advancement, postponement, deviation, or substitution. In addition, while the Cruise Line attempts to follow published schedules as closely as possible, the Cruise Line is not responsible if they cannot adhere exactly to the published times at any of their ports of call. However, they will attempt to keep all passengers informed of any changes.
