PORT OF SOUTHAMPTON:

The Port of Southampton is the busiest cruise hub in the UK and is known as the cruise capital of Northern Europe. This bustling cruise port has five total cruise terminals: Horizon, Mayflower, City Cruise, Ocean and QEII. Two of the terminals (City and Ocean) are within walking distance of the city center, while the other two are a five-minute taxi ride away. We will confirm which terminal our ship will be departing from as we get closer to sail date.
